

# Important Safety Notice

December 23, 2020

Dear Valued Customer,

The Hampton Bay 54 in. Mara Indoor/Outdoor ceiling fans are being voluntarily recalled in cooperation with the U.S. Consumer Product Safety Commission and Health Canada. There have been consumer reports that the fan blades on the Hampton Bay 54 in. Mara Indoor/Outdoor Ceiling Fan may detach due to an isolated manufacturing defect with the assembly of the fan blade's locking clip to the fan flywheel, where one of the two screws retaining the locking clip is not adequately secured to the flywheel. If this occurs, the blade may detach from the fan during use, posing an injury hazard.

Please note that this issue does not affect all Mara 54 in. ceiling fans. To determine if your ceiling fan is impacted, please see instructions on the following page. If you determine that your Mara 54 in. ceiling fan is affected by this recall based on your inspection on page 2, or if you have any questions about the inspection, please discontinue use of the fan and contact us toll-free at 1-866-443-1291, Monday through Friday between 9 AM and 5 PM EST, via e-mail at [MaraRecall@kingoffans.com](mailto:MaraRecall@kingoffans.com), or visit us online at [www.kingoffans.com/MaraRecall](http://www.kingoffans.com/MaraRecall). You can also scan the following QR code with your smart phone.
